Letter of MoU

To,
The Principal
Govt. First Grade College,
Gokak

Respected sir,

We the faculty members of our college would like to have MoU with your institution. It would be great advantage for both colleges to have research activity in the different subjects, faculty exchange programmes and student exchange programmes even in the English Laboratory. It would be more beneficial to both colleges to have exchange of ideas; spreading of knowledge and wisdom. In this globalization, they are exposed to new ideas. Different skills are taught to the students by different faculties. So they will be equipped with knowledge and skills which leads to employability.

I look forward to working with you in future.

Thanking you,

Yours sincerely,
